myLongwood Changes - Students

The myLongwood portal is changing on September 1st! The new portal will provide easy access to the tasks and tools that have always been available in myLongwood. Functionality in terms of tasks (class registration, student account access, checking grades, degree evaluations, etc.) will remain the same. Links to services and information readily available on the Longwood website (email, Canvas, campus offices, directories, etc.) will be removed from the portal.

The web address for myLongwood will not change. You will continue to access the portal at http://my.longwood.edu. The basic layout of the portal will also remain the same with navigation tabs at the top of the page and information channels within the tabs.

Below is a summary of the functionality that will remain in myLongwood and resources that will no longer be accessed in the portal.

Students
