REF #	STANDARD PROVISIONS
	<ul style="list-style-type: none"> d. "Security Breach" means a security-relevant event in which the security of a system or procedure used to create, obtain, transmit, maintain, use, process, store or dispose of data is breached, and in which University Data is exposed to unauthorized disclosure, access, alteration, or use. e. "Services" means any goods or services acquired by Longwood University from the Selected Firm/Vendor. f. "University Data" includes all Personally Identifiable Information and other information that is not intentionally made generally available by the University on public websites or publications, including but not limited to business, administrative and financial data, intellectual property, and patient, student and personnel data.
2	<p>Rights and License in and to the University Data</p> <p>The parties agree that as between them, all rights including all intellectual property rights in and to University Data shall remain the exclusive property of the University, and Selected Firm/Vendor has a limited, nonexclusive license to use these data as provided in this agreement solely for the purpose of performing its obligations hereunder. This agreement does not give a party any rights, implied or otherwise, to the other's data, content, or intellectual property, except as expressly stated in the agreement.</p>
3	<p>Intellectual Property Disclosure/Rights</p> <ul style="list-style-type: none"> a. Unless expressly agreed to the contrary in writing, all goods, products, materials, documents, reports, writings, video images, photographs or papers of any nature including software or computer images prepared by Selected Firm/Vendor (or its subcontractors) for the University will not be disclosed to any other person or entity without the written permission of the University. b. Selected Firm/Vendor warrants to the University that the University will own all rights, title and interest in any intellectual property created for the University as part of the performance of this agreement and will have full ownership and beneficial use thereof, free and clear of claims of any nature by any third party including, without limitation, copyright or patent infringement claims. Selected Firm/Vendor agrees to assign and hereby assigns all rights, title, and interest in any and all intellectual property created for the University as part of the performance of this agreement to the University, and will execute any future assignments or other documents needed for the University to document, register, or otherwise perfect such rights. Nothing in this section is, however, intended to or shall be construed to apply to existing intellectual property created or owned by the vendor that the University is licensing under this agreement. For avoidance of doubt, the University asserts no intellectual property ownership under this clause to any pre-existing intellectual property of the vendor, and seeks ownership rights only to the extent Vendor is being engaged to develop certain intellectual property as part of its services for the University. c. Notwithstanding the foregoing, for research collaboration pursuant to subcontracts under sponsored research agreements administered by the University's Office of Sponsored Programs and Research, intellectual property rights will be governed by the terms of the grant or contract to the University to the extent such grant or contract requires intellectual property terms to apply to subcontractors.

4	<p>Data Privacy</p> <ul style="list-style-type: none"> a. Selected Firm/Vendor will use University Data only for the purpose of fulfilling its duties under this agreement and will not share such data with or disclose it to any third party without the prior written consent of the University, except as required by this agreement or as otherwise required by law. b. University Data will not be stored outside the United States without prior written consent from the University. c. Selected Firm/Vendor will provide access to University Data only to its employees and subcontractors who need to access the data to fulfill Selected Firm/Vendor obligations under this agreement. Selected Firm/Vendor will ensure that employees who perform work under this agreement have read, understood, and received appropriate instruction as to how to comply with the data protection provisions of this agreement. d. The following provision applies only if Selected Firm/Vendor will have access to the University’s education records as defined under the Family Educational Rights and Privacy Act (FERPA): The Selected Firm/Vendor acknowledges that for the purposes of this agreement it will be designated as a “school official” with “legitimate educational interests” in the University education records, as those terms have been defined under FERPA and its implementing regulations, and the Selected Firm/Vendor agrees to abide by the limitations and requirements imposed on school officials. Selected Firm/Vendor will use the education records only for the purpose of fulfilling its duties under this agreement for University’s and its End User’s benefit, and will not share such data with or disclose it to any third party except as provided for in this agreement, required by law, or authorized in writing by the University.
5	<p>Data Security</p> <ul style="list-style-type: none"> a. Selected Firm/Vendor will store and process University Data in accordance with commercial best practices, including appropriate administrative, physical, and technical safeguards, to secure such data from unauthorized access, disclosure, alteration, and use. Such measures will be no less protective than those used to secure Selected Firm/Vendor’s own data of a similar type, and in no event less than reasonable in view of the type and nature of the data involved. Without limiting the foregoing, Selected Firm/Vendor warrants that all electronic University Data transmitted, processed, or stored will be protected in accordance with latest version of ISO/IEC 27002. b. Selected Firm/Vendor will use industry-standard and up-to-date security tools and technologies such as anti-virus protections and intrusion detection methods in providing Services under this agreement.
6	<p>Employee Background Checks and Qualifications</p> <p>Selected Firm/Vendor shall ensure that its employees who will have potential access to University Data have passed appropriate, industry standard, background screening and possess the qualifications and training to comply with the terms of this agreement.</p>

7	<p>Data Authenticity and Integrity Selected Firm/Vendor will take reasonable measures, including audit trails, to protect University Data against deterioration or degradation of data quality and authenticity. The Selected Firm will be responsible during the terms of this agreement, unless otherwise specified elsewhere in this agreement, for converting and migrating electronic data as often as necessary so that information is not lost due to hardware, software, or media obsolescence or deterioration.</p>
8	<p>Security Breach</p> <p>a. Response. Upon becoming aware of a Security Breach, or of circumstances that are reasonably understood to suggest a likely Security Breach, Selected Firm/Vendor will timely notify the University Contacts consistent with applicable state or federal laws, fully investigate the incident, and cooperate fully with the University’s investigation of and response to the incident. Except as otherwise required by law, Selected Firm/Vendor will not provide notice of the incident directly to individuals whose Personally Identifiable Information was involved, regulatory agencies, or other entities, without prior written permission from the University.</p> <p>1. If Selected Firm/Vendor must under this agreement create, obtain, transmit, use, maintain, process, or dispose of the subset of University Data known as Personally Identifiable Information, the following provisions apply. In addition to any other remedies available to the University under law or equity, Selected Firm/Vendor will reimburse the University in full for all costs incurred by the University in investigation and remediation of any Security Breach caused by Selected Firm/vendor, including but not limited to providing notification to individuals whose Personally Identifiable Information was compromised and to regulatory agencies or other entities as required by law or contract; providing one year’s credit monitoring to the affected individuals if the Personally Identifiable Information exposed during the breach could be used to commit financial identity theft; and the payment of legal fees, audit costs, fines, and other fees imposed by regulatory agencies or contracting partners as a result of the Security Breach.</p> <p>2. If Selected Firm/Vendor will NOT under this agreement create, obtain, transmit, use, maintain, process, or dispose of the subset of University Data known as Personally Identifiable Information, the following provisions apply. In addition to any other remedies available to the University under law or equity, Selected Firm/Vendor will reimburse the University in full for all costs reasonably incurred by the University in investigation and remediation of any Security Breach caused by Selected Firm/vendor.</p>

9	<p>Response to Legal Orders, Demands or Requests for Data</p> <p>a. Except as otherwise expressly prohibited by law, Selected Firm/Vendor will:</p> <ul style="list-style-type: none"> • immediately notify the University (see 8(a) above for contact information) of any subpoenas, warrants, or other legal orders, demands or requests received by Selected Firm/Vendor seeking University Data; • consult with the University regarding its response; • cooperate with the University’s reasonable requests in connection with efforts by the University to intervene and quash or modify the legal order, demand or request; and • upon the University’s request, provide the University with a copy of its response. <p>b. If the University receives a subpoena, warrant, or other legal order, demand (including request pursuant to the Virginia Freedom of Information Act) or request seeking University Data maintained by Selected Firm/Vendor, the University will promptly provide a copy to Selected Firm/Vendor. Selected Firm/Vendor will promptly supply the University with copies of data required for the University to respond, and will cooperate with the University’s reasonable requests in connection with its response.</p>
10	<p>Data Transfer Upon Termination or Expiration</p> <p>a. Upon termination or expiration of this agreement, Selected Firm/Vendor will ensure that all University Data are securely returned or destroyed as directed by the University in its sole discretion. Transfer to the University or a third party designated by the University shall occur within a reasonable period of time, and without significant interruption in service. Selected Firm/Vendor shall ensure that such transfer/migration uses facilities and methods that are compatible with the relevant systems of the University or its transferee, and to the extent technologically feasible, that the University will have reasonable access to University Data during the transition. In the event that the University requests destruction of its data, Selected Firm/Vendor agrees to Securely Destroy all data in its possession and in the possession of any subcontractors or agents to which the Selected Firm/Vendor might have transferred University Data. The Selected Firm/Vendor agrees to provide documentation of data destruction to the University.</p> <p>b. Selected Firm/Vendor will notify the University of impending cessation of its business and any contingency plans. This includes immediate transfer of any previously escrowed assets and data and providing the University access to Selected Firm/Vendor’s facilities to remove and destroy University-owned assets and data. Selected Firm/Vendor shall implement its exit plan and take all necessary actions to ensure a smooth transition of service with minimal disruption to the University. Selected Firm/Vendor will also provide a full inventory and configuration of servers, routers, other hardware, and software involved in service delivery along with supporting documentation, indicating which if any of these are owned by or dedicated to the University. Selected Firm/Vendor will work closely with its successor to ensure a successful transition to the new equipment, with minimal downtime and effect on the University, all such work to be coordinated and performed in advance of the formal, final transition date.</p>

11	<p>Audits</p> <p>a. The University reserves the right in its sole discretion to perform audits of Selected Firm/Vendor <u>at the University's expense</u> to ensure compliance with the terms of this agreement. The Selected Firm/Vendor shall reasonably cooperate in the performance of such audits. This provision applies to all agreements under which the Selected Firm/Vendor must create, obtain, transmit, use, maintain, process, or dispose of University Data.</p> <p>b. If the Selected Firm/Vendor must under this agreement create, obtain, transmit, use, maintain, process, or dispose of the subset of University Data known as Personally Identifiable Information <u>or</u> financial or business data which has been identified to the Selected Firm/Vendor as having the potential to affect the accuracy of the University's financial statements, Selected Firm/Vendor will at its expense conduct or have conducted at least annually a:</p> <ul style="list-style-type: none"> • American Institute of CPAs Service Organization Controls (SOC 2) Type II audit, or other security audit with audit objectives deemed sufficient by the University, which attests the Selected Firm/Vendor's security policies, procedures and controls; • vulnerability scan of Selected Firm/Vendor's electronic systems and facilities that are used in any way to deliver electronic services under this agreement; and • formal penetration test of Selected Firm/Vendor's electronic systems and facilities that are used in any way to deliver electronic services under this agreement. <p>Additionally, the Selected Firm/Vendor will provide the University upon request the results of the above audits, scans and tests, and will promptly modify its security measures as needed based on those results in order to meet its obligations under this agreement. The University may require, <u>at University expense</u>, the Selected Firm/Vendor to perform additional audits and tests, the results of which will be provided promptly to the University.</p>
12	<p>Compliance</p> <p>a. Selected Firm/Vendor will comply with all applicable laws and industry standards in performing services under this agreement. Any Selected Firm/Vendor personnel visiting the University's facilities will comply with all applicable University policies regarding access to, use of, and conduct within such facilities. The University will provide copies of such policies to Selected Firm/Vendor upon request.</p> <p>b. Selected Firm/Vendor warrants that the service it will provide to the University is fully compliant and will enable the University to be fully compliant with relevant laws, regulations, and guidance that may be applicable to the service, such as: the Family Educational Rights and Privacy Act (FERPA), Health Insurance Portability and Accountability Act (HIPAA) and Health Information Technology for Economic and Clinical Health Act (HITECH), Gramm-Leach-Bliley Financial Modernization Act (GLB), Payment Card Industry Data Security Standards (PCI-DSS), Americans with Disabilities Act (ADA), Federal Export Administration Regulations, and Defense Federal Acquisitions Regulations.</p> <p>c. If the Payment Card Industry Data Security Standards (PCI-DSS) are applicable to the Selected Firm/Vendor service provided to the University, the Selected Firm/Vendor will, upon written request, furnish proof of compliance with PCI-DSS within 10 business days of the request.</p>
13	<p>Survival</p> <p>The Selected Firm/Vendor's obligations under Section 10 shall survive termination of this agreement until all University Data has been returned or Securely Destroyed.</p>
